

Lighten your workload with a wide range of solutions

Reduce your workload and simplify your day with Cintas. With industry-leading products and services that help you project the right image and be more prepared, we'll help you stay focused on your business and be **Ready for the Workday**®.

UNIFORM RENTAL

Your employees will look and feel their best with comfortable, high-quality apparel — and you'll appreciate getting convenient, professional laundering and delivery with no upfront investment.

FACILITY SERVICES

Enhance your image, save time and money, and keep your entire facility **Ready**™. Our innovative solutions and routine service visits for your mats, mops, microfiber, restroom supplies and cleaning chemicals make it easy.

FIRST AID & SAFETY

Be more prepared to respond to workplace incidents and illnesses with our scheduled onsite service — including professional stocking of the first aid products and safety supplies you select, AED servicing, and training and compliance courses.

FIRE PROTECTION

Rely on one source to be your trusted provider for testing, inspection, reporting and repair of your fire protection equipment. Your nationally managed solution from Cintas includes leading service by trained technicians, a dedicated account manager and consolidated billing.
